Campus Center audio visual equipment needs to be reserved prior to the start of your event and is subject to availability.

Campus Center audio visual equipment is only available for use within the Campus Center with a confirmed room/space reservation. Campus Center audio visual equipment is not available for outside rental.

Any damage due to neglect or abuse of the IUPUI Campus Center's audio visual equipment or furniture will be billed directly to the client.

Additional equipment rented from an outside vendor is the liability of the renter, not the Campus Center. The rented equipment must also work independent of the Campus Center's audio visual equipment installed within the rooms.
