Fraternity & Sorority Life Hosts IMPACT Retreat 2010

The Office of Fraternity & Sorority Life hosted the community's first ever IMPACT Retreat weekend January 22nd through 24th. The weekend was a great success with representation from twelve of the thirteen recognized chapters as well as all three councils' (IFC, NPHC and Panhellenic) executive boards. With just under sixty (60) Greek Letter Organization affiliated student present, the IUPUI Fraternal Community focused on enhancing community leadership as well as reconnecting to the values espoused by each of the respective organizations.

Beyond the focus on leadership and organizational values, members present appeared to develop new relationships across organizational and council lines. It is the hope of the Office of Fraternity & Sorority Life, the two lead facilitators and twelve small group facilitators this weekend retreat is the start of a new cohesive and collaborative dynamic in the IUPUI Fraternity & Sorority Community.
