Coordinator for Fraternity and Sorority Life Search

We are currently in the process of searching for a new full-time Coordinator for Fraternity and Sorority Life. We hope to have this individual in the position by mid-summer to start working with the fraternity and sorority community and the recommendations that were presented in April. We are very excited to have a full-time person working with the fraternity and sorority community and can't wait to see how much the community will grow under this person's guidance!

Fraternity and Sorority Life Graduate Assistant (GA)

The GA working with IUPUI's fraternity and sorority community next year is Rubin Pusha III. Rubin received his Bachelors degree from Albany State University. He is currently a graduate student at Indiana University

Bloomington in the Higher Education and Student Affairs program and will graduate in May 2009. Rubin will start working in the Office of Fraternity and Sorority Life in August and will be a great asset to our community!
